Description

Nani's Gelato is an artisan gelato company that is expanding into Mississauga! Our team is seeking a qualified and motivated team member to join our gelato making team and work directly alongside our Head Gelato Chef and Owner.

This is a full-time position and an exciting opportunity for anyone trained in the culinary dessert sector. You will be learning and making gelato from scratch daily and have the opportunity to participate in flavor innovation.

Responsibilities

The individual will be responsible for:

- Providing prep support to the Head Chef
- Making, blending and extracting gelato
- Support dish washing and general kitchen organization
- Maintain and track inventory levels

A qualified candidate should have formal chef training and experience. The position is fast paced and very fun (we make gelato all day!). Our shop is open year round, this is not a seasonal position!
